BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

IN THE MATTER OF Trademark Application Serial No. 76/718496 - CHLORAFILM  
DATE OF PUBLICATION: March 22, 2016

**CareFusion 2200, Inc.,**

**Opposer,**

**v.**

**RyMed Technologies, LLC**

**Applicant.**

**Opposition No.:** \_\_\_\_\_

**NOTICE OF OPPOSITION**

CareFusion 2200, Inc. a Delaware corporation having offices at 3750 Torrey View Court, San Diego, CA 92130 and its related entities, including its parent CareFusion Corporation, both of which are now owned by Becton, Dickinson and Company (collectively hereinafter referred to as "CareFusion"), believes that it will be damaged by the registration of U.S. Serial No. 76/718496 – CHLORAFILM for “An antimicrobial for dermatological use, namely, a transparent liquid solution which dries to a flexible waterproof film/barrier with antimicrobial properties when applied to the skin” in International Class 5 by RyMed Technologies, LLC, a Texas limited liability company of 137 Third Avenue, North Franklin, TN 37064 (hereinafter referred to as “Applicant”), and hereby opposes registration of the same under the provisions of *Section 13 of the Trademark Act of July 5, 1946, 15 U.S.C. § 1063*. As grounds therefor, it is alleged that:

1. CareFusion and its affiliates and related companies, parent and predecessors in business (all hereinafter collectively referred to as “Opposer”) have, since long prior to

Applicant's constructive use filing date of September 25, 2015 for the application of CHLORAFILM for "An antimicrobial for dermatological use, namely, a transparent liquid solution which dries to a flexible waterproof film/barrier with antimicrobial properties when applied to the skin" in International Class 5, been using the trademarks CHLORAPREP and CHLORASHIELD in the U.S. in connection with the promotion, sale, and use of medical products, including antiseptic and antimicrobial solutions.

2. Opposer is a well-known manufacturer and distributor of products, supplies, and devices used in the medical and healthcare fields. For over 22 years, Opposer has promoted and sold medical products, including antiseptic and antimicrobial solutions, under its CHLORAPREP and CHLORASHIELD trademarks. Opposer has built a large and successful business in the United States for its medical antiseptic and antimicrobial products, of which CHLORAPREP and CHLORASHIELD are key brands.

3. Opposer is the owner of the trademarks CHLORAPREP and CHLORASHIELD, the United States Trademark Registrations thereof, and the goodwill symbolized by the trademarks and the registrations thereof, as follows:

| Trademark                   | Status                           | Goods/Services   |
|-----------------------------|----------------------------------|--|
| CHLORAPREP<br>RN: 1930248   | Registered:<br>October 24, 1995  | (Int'l Class: 5) topical antimicrobial solutions       |
| CHLORAPREP<br>RN: 4052849   | Registered:<br>November 8, 2011  | (Int'l Class: 5) broad-spectrum antiseptic             |
| CHLORASHIELD<br>RN: 4488745 | Registered:<br>February 25, 2014 | (Int'l Class: 5) antimicrobial catheter patch dressing |

Copies of current printouts from the USPTO's TESS database showing the current status and title of all three of these registrations are attached to this Notice of Opposition as Exhibit A.

4. The certificates of registrations identified in paragraph 3 are valid and subsisting and record title is in Opposer; the certificates of registration are *prima facie* evidence of the validity of the registrations, the Registrant's ownership of the marks, and of the Registrant's exclusive right to use the marks in commerce in connection with the goods specified in the certificate of registrations under the provisions of 15 U.S.C. § 1057(b) and constructive notice of the Registrant's claim of ownership under 15 U.S.C. § 1072. Registration No. 1930248 is incontestable, which provides conclusive evidence of its validity under 15 U.S.C. § 1115(b).

5. On September 25, 2015, Applicant filed application Serial No. 76/718496 – CHLORAFILM, for “An antimicrobial for dermatological use, namely, a transparent liquid solution which dries to a flexible waterproof film/barrier with antimicrobial properties when applied to the skin” in International Class 5.

6. The goods offered or to be offered under Applicant's CHLORACIDE mark are virtually identical to Opposer's medical goods sold and offered under its CHLORAPREP and CHLORASHIELD marks.

7. Upon information and belief, the goods for which Applicant seeks to register the designation CHLORAFILM will involve offering similar goods under a virtually identical mark to the same persons to whom Opposer provides such goods under its CHLORAPREP and CHLORASHIELD marks.

8. Upon information and belief, Applicant's goods are and/or will be marketed, promoted and offered through the same marketing channels as are the goods provided by Opposer under its CHLORAPREP and CHLORASHIELD marks.

9. There are no restrictions in the goods description of Applicant's CHLORAFILM mark as to trade channels, so it must be presumed that Applicant's CHLORAFILM goods are and/or will be offered to and used by the same medical and healthcare customers who would also be in the market for and use Opposer's CHLORAPREP and CHLORASHIELD goods.

10. The designation CHLORAFILM which the Applicant seeks to register is virtually identical to Opposer's CHLORASHIELD and CHLORAPREP marks.

11. The Opposer, since long prior to Applicant's constructive use filing date of September 25, 2015 for the application of CHLORAFILM for "An antimicrobial for dermatological use, namely, a transparent liquid solution which dries to a flexible waterproof film/barrier with antimicrobial properties when applied to the skin" in International Class 5, has spent, and continues to spend, large sums of money in the promotion and advertisement of its goods identified and distinguished by its CHLORAPREP and CHLORASHIELD marks, and by reason of such promotion and advertising and the high quality of its products carrying the Opposer's CHLORAPREP and CHLORASHIELD mark, Opposer now enjoys a valuable goodwill and an enviable and well-known reputation with respect to its CHLORAPREP and CHLORASHIELD mark and goods.

12. Opposer and Applicant are competitors in the marketplace for the sale of medical and healthcare related products and devices.

13. The designation CHLORAFILM which Applicant seeks to register is virtually identical to Opposer's CHLORASHIELD and CHLORAPREP marks. Potential customers who hear CHLORAFILM when used in connection with medical products and devices will think that Applicant and/or its CHLORAFILM goods are connected with, sponsored, or sold by Opposer.

14. The use, promotion and registration of CHLORAFILM by the Applicant, a direct competitor of Opposer, will cause customers throughout the United States to assume, erroneously, and to be confused, misled and/or deceived, that the Applicant's CHLORAFILM medical goods are affiliated with, endorsed or sponsored by Opposer, all to the Opposer's irreparable damage.

15. For the reasons set forth in paragraphs 1 through 14, Opposer believes, and in so believing asserts, that the goodwill in its distinctive and well-known CHLORAPREP and CHLORASHIELD trademarks will be damaged under *Section 2(d)* and that the Applicant should be denied the registration of its CHLORAFILM mark for the goods for which it has filed application Serial No. 76/718496.

16. By reason of the foregoing, Applicant's application of CHLORAFILM for "An antimicrobial for dermatological use, namely, a transparent liquid solution which dries to a flexible waterproof film/barrier with antimicrobial properties when applied to the skin" in International Class 5 is likely to cause confusion with Opposer's CHLORAPREP and CHLORASHIELD marks for similar goods, and thus is not registrable under *Section 13* of the Trademark Act of 1946 (15 U.S.C. § 1063).

WHEREFORE, Opposer prays that this Opposition be sustained and that application Serial No. 76/718496 – CHLORAFILM – be refused registration.

The fee of \$300.00 to oppose this application as provided by *Sections 13 and 31 of the Trademark Act of 1946* is paid by charging Opposer's attorneys' credit card.

Please recognize Joseph R. Dreitler and Mary R. True, both members of the Bar of the State of Ohio, as its attorneys to prosecute this Notice of Opposition and to transact all business in the Patent and Trademark Office in connection herewith. Please address all communications to: Joseph R. Dreitler, c/o Dreitler True LLC, 19 E. Kossuth St., Columbus, Ohio 43206.

Dated: July 15, 2016

Respectfully submitted,
